Lead Instructor at Treetops Ladies Golf Schools (1999-2015)

Head Golf Professional at Wild Bluff Golf Course at Bay Mill Resort and Casinos (1998-2002)

In earlier years of my career I worked and taught at other Northern Michigan Resorts including Boyne USA, Otsego Club, Marsh Ridge and the Loon.

I have enjoyed teaching golf in Northern Michigan for 28 years. I spent 17 years as the lead instructor at the Treetops Ladies Golf School. As a follow-up to my experience at the Treetops Ladies Golf Schools, I now look forward to teaching more at my home course, the Michaywe' Pines.

Learning golf should be fun and comfortable! It is my goal to provide easy to understand information to help you improve your game, regardless of your abilities. New to the game? Teaching beginners is fun and rewarding. I can't wait to help you learn more about the great game of golf.
